WINE RESORT

富士の国やまなし 峡東ワインリゾート

A country in Fuji and, oh, the East valley in yamanashi wine resort plan

Yamanashi-prefecture is the abundant natural resort where you circled the square which neighbors metropolitan area in the beautiful mountains Such as Koshu kind and the Muscat Baillie A kind are also registered by an international grape wine organization (O.I. V) as the kind to which Japan is peculiar about the wine by which the production is produced from the first in the nation grape centering on a kyou Touchi area at the inside as well as a European authority gets a prize by some wine contests, the value at the foreign countries is rising. The beautiful agricultural view by which fruiter agriculture supports is the big charm by which itself is as a resort for the scene by which a vineyard in this area ranges. These, to preserve the irreplaceable manpower and culture inherited continuously for long, a match for authorization of "the world agricultural legacy" has started in this area. Men in and out of office cooperate in the kyou Touchi area the winery where they produce the wine, the agricultural view and the wine which are the big wealth of Yamanashi-ken accumulates, and the wine resort plan is the vision aiming at the resort excellent in quality using wine as a core.
